## STYLE IT STYLING CRÈME

Our haircare line was shaped through first hand experiences in the salon industry using innovative hair care technology and natural actives to deliver high-performance, treatment-based products – all while staying true to our deepest belief that “healthy hair is beautiful hair”. We worked with the most forward thinking scientists and artisans to develop a best-in-class salon collection of products rigorously testing in top salons by top stylists and tweaked to perfection.

### HOW TO USE

Place a small amount into hands, emulsify and then work into damp hair from root to ends. Style with blow dryer using brush or hands.

### FEATURES

Keratin-rich formula adds weightless texture and volume while fortifying fine, limp hair. Great for creating soft voluminous locks or adding lift and definition to curls. Leaves hair thicker, healthier and more beautiful. Infuses hair with naturally soft volume. Conditions hair with every use. Provides light, flexible hold.
